

# Curriculum Overview

Subject: French

Year: 9

**Rationale:** To provide students with the confidence to communicate in a second language. Through teaching the skills to manipulate the key elements of the language, we will instil a sense of accomplishment in lessons so that students take pride in their achievements.

Units of Work		Key Knowledge development:	Key Skills development:	Assessment
1	Ça t'intéresse?			
2	L'avenir			
3	En bonne santé?
