An exciting careers event, Pilot Careers Live, is guaranteed to inform, inspire and advise anyone who is interested in a rewarding career as a pilot. The event will cover every aspect of what it takes to become a professional pilot, including air traffic control (ATC) and aerospace university degree courses. Pilot Careers Live will bring together leading pilot training companies, airlines, universities and career experts in a single venue, and will feature a series of informative career presentations across both days. Students can view a video about the event at <http://bit.ly/pilotcareerslive18>. For full event details and discounted student tickets, please visit www.pilotcareernews.com/live/london

Visitors will get the answers to such leading questions as:

- What do airlines look for when recruiting new pilots?
- Are you fit to fly? Pilot medical requirements explained
- What pilot apprenticeships are available?
- University degrees in aerospace: What are the options?
- Is now a good time to train as a pilot?
- What are the costs?

Dear Parents/Carers

The Accelerated Reader (AR) programme for Years 7, 8, and 9

We write to ask for your support with the Accelerated Reader (AR) programme which all students at The Dean Academy follow throughout Years 7, 8 and 9.

AR is a programme for encouraging and promoting reading for pleasure at home. The programme is followed in Primary and Secondary schools nationally, and it is as popular with Grammar schools as it is with Comprehensives and Academies. Key skills developed through the AR programme include retaining and recalling information, which are essential skills for exam success in Years 10 and 11.

In school this year, your child will enjoy fortnightly AR lessons in the library, where his or her teacher will help in choosing a suitable AR book which can be loaned out and taken home – but it is here that we need your support. **Success in the AR programme depends on**

students reading books that are on the AR programme for at least twenty minutes each day, and this needs to be done at home.

To help you support your child's reading, he or she will bring home a blue Reading Record Card which we ask you to sign after each independent reading session. After each book is successfully read, your child can claim rewards by quizzing *regularly during AR lessons*. At the end of last term, some students received Celebration Certificates in the Whole School Assembly for earning an average of 100 Reading Points – one student's record topped 200 points in just one term!

Although we have a substantial school library, students can find AR books from other sources, including books at home, books from their local library, and books that can be found and read online. They can search the AR site by author or genre (including non-fiction) to check whether a given book is on the AR programme. This can be done in the school library or from home via Renaissance Home Connect. Information about this site is available on the school website.

The AR programme is a challenge: it takes determination and resilience. But it will reward your child with new experiences and academic success.

If you have any questions, please do not hesitate to contact us. Many thanks for your support and happy reading! **Ms Paton, Lead Teacher**

SCHOOL BUS INFORMATION

Students should carry their bus passes at all times and the passes are valid for the whole year. If a pass is lost or damaged a replacement pass will cost £5.00 obtainable from Shire Hall, Gloucester only.

If you need to obtain a replacement bus pass for your child please visit:

www.gloucestershire.gov.uk/applyforabuspass to pay for your pass online. Replacement passes can no longer be ordered and paid for by telephone.

If you need to enquire about the spare seat scheme please visit:

www.gloucestershire.gov.uk/spareseat

If you are enquiring about your existing spare seat application and you have received an email receipt from Shire Hall, this means applications are currently being processed and you will be contacted by email in due course with the outcome.

Alternatively, you may be able to find the information you require by visiting the Gloucestershire County Council website: www.gloucestershire.gov.uk/education where council information and services can be accessed 24 hours a day.

If a student misses a bus or is refused travel home because they do not have their bus pass they should come back into the school so that parents can be contacted or arrangements can be made to get them home.

If a student forgets their bus pass they should see Theresa Whatley, Head's PA before 12.30 p.m. on the day who will contact Shire Hall to gain permission for the student to travel home that day otherwise they may be refused travel home.
