#### **Wordy Wednesdays in Key Stage Three**

Students in Years 7, 8 and 9 are now three weeks into their Literacy focus called Wordy Wednesday. Challenging vocabulary is introduced in tutor time each week, giving students the opportunity to explore the origins of words and understand their underlying meaning. Please ask your son or daughter to talk to you about their growing vocabulary and try to use these words in your conversations at home. We're grateful for your support.

#### **Parent Governor Elections**

You should have today received a letter inviting you to put your name forward for the upcoming parent governor elections. If you have not received a letter, please find a copy on the school website.

We hugely value the role governors play in supporting and improving our school. We fully understand that it is a significant commitment but also hope that it is very rewarding and fulfilling. If you are at all interested or would just like to find out more, please do not hesitate to contact me at school.

#### **Year 8/9 Netball Tournament**

A year 8/9 Netball Tournament took place on Tuesday 24<sup>th</sup> September which was held at The Dean Academy. The girls involved were amazing – they represented the school exceptionally well and their effort and attitude in every game was brilliant.

The schools competing alongside us were:- Wyedean, Newent and two teams from Dene Magna.

Our year 8 girls came 4<sup>th</sup> and the year 9 girls came 3<sup>rd</sup>.

Players of the tournament were Isabelle Kiely (year 8) and Jess Geelhoed (year 9). Emma Baldwin gave up her time to help umpire the tournament and did a fantastic job umpiring the year 9 matches.

Well done girls!

a local Town Council environmentalism initiative on Friday 20<sup>th</sup> September, helping in a litter pick around Lydney Harbour. The students, who are all members of the school's Eco Club, volunteered two hours to work with councillors and local residents. Mrs Gillard, who accompanied the students, praised their commitment and hard work. The newly introduced Eco Club runs in E11 on Tuesday lunchtimes and is currently running a competition for Year 7 students to design a logo for the group – entries were due in on Monday 23<sup>rd</sup> September!

### **Talented Poets**

On Monday evening I had the pleasure of attending the launch event of the Ways to Peace Anthology, a collection of poems written by a number of poets from Gloucestershire and further afield, raising money for Unicef, at Tintern Abbey. A number of our students have had their poems published in the anthology. Year 11 students Kieran Maass and Freya Symonds, 2 of our featured poets, attended the event and Kieran recited his poem at the launch. Congratulations to all students involved.

### **School Car Park**

Just a reminder that the school car park operates a one-way system. Please also ensure you drop students off in a safe place especially on the dark mornings and when the weather is bad. Please do not just stop and drop off students in a line of traffic. Thank you for your support with this.

### **The Accelerated Reader (AR) programme for Years 7, 8, and 9**

We write to ask for your support with the Accelerated Reader (AR) programme which all students at The Dean Academy follow throughout Years 7, 8 and 9.

AR is a programme for encouraging and promoting reading for pleasure at home. The programme is followed in Primary and Secondary schools nationally, and it is as popular with Grammar schools as it is with Comprehensives and Academies. Key skills developed through the AR programme include retaining and recalling information, which are essential skills for exam success in Years 10 and 11.

In school this year, your child will enjoy fortnightly AR lessons in the library, where his or her teacher will help in choosing a suitable AR book which can be loaned out and taken home – but it is here that we need your support. **Success in the AR programme depends on students reading books that are on the AR programme for at least twenty minutes each day, and this needs to be done at home.**

To help you support your child's reading, he or she will bring home a blue Reading Record Card which we ask you to sign after each independent reading session. After each book is successfully read, your child can claim rewards by quizzing *regularly during AR lessons*. At the end of last term, some students received Celebration Certificates in the Whole School Assembly for earning an average of 100 Reading Points – one student's record topped 200 points in just one term!

Although we have a substantial school library, students can find AR books from other sources, including books at home, books from their local library, and books that can be found and read online. They can search the AR site by author or genre (including non-fiction) to check whether a given book is on the AR programme. This can be done in the school library or from home via Renaissance Home Connect. Information about this site is available on the school website.

The AR programme is a challenge: it takes determination and resilience. But it will reward your child with new experiences and academic success.

If you have any questions, please do not hesitate to contact us. Many thanks for your support and happy reading! **Ms Paton, Lead Teacher**

Alternatively, you may be able to find the information you require by visiting the Gloucestershire County Council website: [www.gloucestershire.gov.uk/education](http://www.gloucestershire.gov.uk/education) where council information and services can be accessed 24 hours a day.

If a student misses a bus or is refused travel home because they do not have their bus pass they should come back into the school so that parents can be contacted or arrangements can be made to get them home.

If a student forgets their bus pass they should see Theresa Whatley, Head's PA before 12.30 p.m. on the day who will contact Shire Hall to gain permission for the student to travel home that day otherwise they may be refused travel home.
