Year 9 and Year 11 Workshops

On Tuesday, 80 Year 9 students had a 2-hour workshop to help them plan for their future. They focused on their short and long-term goals, and the steps they need to take to achieve these.

This coming Tuesday, Year 11 students will have a workshop on preparing for their exams. It will focus on revision techniques and how they should be taking a 'little and often' approach to revision. We will send information out to parents throughout the year to help you support your children in preparing for their exams.

Mental Health Awareness

On Thursday we asked everyone to wear an item of yellow as part of Young Minds' #HelloYellow campaign. Wearing yellow was a way of showing solidarity with young people and helping them know that they're not alone. This matters because too many young people still feel ashamed to open up about how they're feeling. The more people who show they care, the more comfortable young people will feel about talking to someone if they're struggling.
