A FREE very user-friendly platform that allows students to complete assignments and answer questions linked to their specification specific courses.

Seneca covers OCR, AQA, WJEC, Edexcel, Eduqas and iGCSE. All the courses are **exam board specific** and written by senior examiners & industry experts. You can create multiple classes, invite your students via email or a class code and set homework. Each assignment will show you the **student's grade, study time and number of attempts**.
