OUTDOOR COATS

In colder months, it is always surprising how many students arrive to school either cold or wet because they choose not to wear a coat. We ask parents to help us by encouraging their children to wear coats to school so that they can start the day in a positive way.

Not acceptable

Outdoor Coats

Should be plain, preferably lightweight and waterproof. Shirts, sweatshirts, fleeces, hoodies, cardigans etc must not be worn as substitutes for outdoor coats. We encourage students to ensure they are visible in the darker mornings and evenings by having fluorescent flashes on their coats or bags.

No outer layer is to be worn inside the school building at any time. This includes PE sports jackets. Coats and scarves may not be worn inside school. Students should remove their coats inside school or store their coat in their locker during the day.

Help with the cost of uniform is available; if you are in receipt of income support, please write to request help with uniform and address your letter to Mrs Jayne Barnett. This is only available to students starting in year 7.

Photographs of the uniform are available on the website in the 'Parents' section.
