

Dear Year 11 Student

**Reminder about GCSE results day 2020 – Thursday 20<sup>th</sup> August**

By now I'm sure that most of you will be aware that that GCSE results day 2020 is fast approaching. We know you'll probably be feeling a mix of emotions, due to the uncertainty that school closures and exam cancellations have caused. I imagine that most year 11 students in the country waiting for their results are feeling a degree of apprehension about results day next week and that is completely understandable given the circumstances.

Please be reminded of arrangements due to COVID-19. We will be operating a staggered collection of results. Collection stations will be spaced so that social distancing measures can be maintained. Please arrive at the time given below and be reminded that on this occasion we ask that students collect their results unaccompanied by parents. We are very grateful for your understanding of this measure.

09.30 – 10.00 am: Surnames beginning A-G

10.00 – 10.30am: Surnames beginning H-P

10.30 – 11.00am: Surnames beginning Q-Z

Finally, we know that many of you and your families will have seen media coverage of A-Level results day, and that might have added to the anxiety. Rest assured that we will continue to work with, and fight for, each and every student to ensure that your grades reflect the commitment you have shown with us in school for the last five years. On or after results day, if you are disappointed with the results you have received, or you are worried your results may not enable you to take your next step in education, we will be available to support. All members of the leadership team will be free and will be able to discuss with you all available options to ensure that the results you receive are fair.

We look forward to seeing you on Thursday 20<sup>th</sup> August.

Yours sincerely

**Richard Brand**  
Headteacher
