WEEKLY PARENTS' BULLETIN NO 6

WEEK COMMENCING 12 th OCTOBER 2020	
WEEK A	
Monday 12 th October	Ada Lovelace Day - Science
Tuesday 13 th October	
Wednesday 14 th October	Year 7 & 11 Photographs
Thursday 15 th October	
Friday 16 th October	

This week we saw much discussion in the news about how GCSE grades will be assigned for the class of 2020. Alongside this we heard that GCSE equivalents in Scotland will be cancelled. At this time, I wanted to acknowledge that this uncertainty must be causing anxiety for our Year 11s who are working resolutely to prepare for their exams. I want to commend them on the determination and resilience they have shown and reiterate that even though we don't yet know the model of assessment, the only helpful approach is for us all to keep working. As soon as there is a clear announcement of how grades will be awarded in England we will communicate with students and parents and we will state clearly the actions we'll take to ensure we are best prepared.

Next week Period 6 and Victory hour returns for Year 11, now that they have completed their progress tests.

Also, this week, we have continued to work to ensure that in the event of any group of students needing to isolate they have immediate access to high quality remote education. To this end, staff have been practicing "live" teaching, and the IT team have set up x16 online teaching stations across the school (thank you Mr Baker-

Performing Arts Stars

Drama – J Everitt-Halford – for a great comedy performance, using asides and split staging for maximum effect.

Dance Star – D Birt-Phelps – for developing her solo after feedback and creating an excellent performance piece as a result.

Music Star – trying extra hard in Music lessons and learning her first chords on the Ukulele at music club.

Churher – see photo!). By the end of next week each child in the school will also have completed a homework – they will have been asked to log on to a live lesson, to check for logon issues/connection!

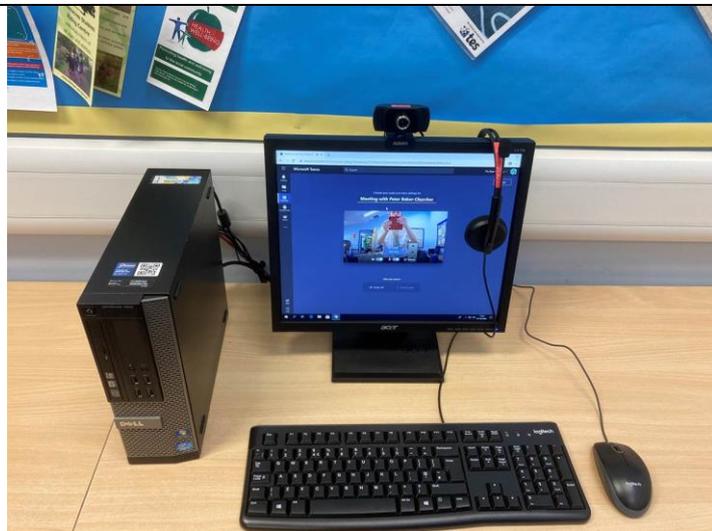

As the weather deteriorates and we move closer to Winter we have tweaked our risk assessment to ensure students and staff are kept safe, but also warm!

As such, starting next week you'll see us start to re-open spaces for COVID-safe lunchtime clubs in PE and Performance (the schedule will be shared with tutors on Monday). In addition, by way of explanation, this week we have needed to turn on the heating, but there is still an expectation that classroom windows and doors are opened at points throughout the day to aid ventilation. We will review this weekly as temperatures drop.

Finally, this week attendance has been excellent. We have had our highest attendance since term has started, across all year groups! Same again next week please!
