

Get ready for Spring!

With our FREE programme of brilliant virtual events for Year 10

Make the most of this term and get ready for spring by taking advantage of our range of virtual events! We have new hands on subject based classes to try, a chance to visit a University from your sofa and an interactive session to help pupils and parents discover what courses and careers suit their personality types.

Want to try out a new exciting subject?

Join a fun, online subject session run by experts from home!

Following on from the amazing feedback from our previous events we are excited to be running a third series of our Subject Saturdays programme! Every session is virtual so you can log on from home; sessions will be delivered by current university or college students and lecturers as well as leading names in industry.

Each session is designed to be fun and filled with hands on activities that open up opportunities for future study and careers. You don't need any prior knowledge, just sign up and come with lots of enthusiasm. The sessions run from 10.30 – 12.30.

This term we will be trying out:

1. **Financial Trading** run by The University of South Wales. Bring the financial trading floor into your lounge! **Saturday 6 March**
2. **Sports Therapy** with Hartpury University. An interactive insight to the world of Sports Therapy. **Saturday 13 March**
3. **Special Effects Make Up** delivered by South Gloucestershire and Stroud College. Gain an insight into special effects make up in film and on the stage, create your own special effects. **Saturday 20 March**
