## WEEKLY PARENTS' BULLETIN NO 25 – WEEK A

### WEEK COMMENCING 29<sup>th</sup> MARCH 2021

Monday 29 <sup>th</sup> March	Year 11 Hospitality & Catering Exam
Tuesday 30 <sup>th</sup> March	
Wednesday 31 <sup>st</sup> March	
Thursday 1 <sup>st</sup> April	Year 10 DTP/MenACWY vaccinations

We have had another excellent week here at The Dean Academy with us fully finding our rhythm and school closure now a distant memory, thankfully!

We had another very successful week of "Beyond Words" our morning tutor reading programme. Students in Year 7-10 will have read for 75 minutes this week and it has meant for a really calm start to the school day.

Students will come home with more Lateral Flow test kits over the coming days. Please make sure that students continue to take these tests at home routinely – they are an essential part of keeping people safe in school by picking up asymptomatic positive cases.

### Enjoyment Achievement Community

Congratulations to the following weekly winners of our attendance raffle for week ending 19<sup>th</sup> March 2021:-

KS3 – Stefan M, 9RL

KS4 – Nathan C, 11AH

In addition, please be aware that students are expected to continue to self-test over the Easter Holiday and will be given enough tests to enable this.

If you have signed up for the GCC Holiday Activities and food programme (if eligible for FSM) please note you will be able to collect your box of ingredients from the school site on Wednesday 31<sup>st</sup> March.

At the end of term, the wonderful Ms J Rosbrook will be sadly leaving us, moving further north to take position as an Assistant Headteacher. We are sad to see Jo leave but are delighted she is moving on for promotion, closer to home.

Finally, if you do not already follow us on social media, and would like to, our details are below. We are using social media more widely to give glimpses of school life and showcase academy highlights.

Headteacher

### **Easter Egg Raffle in aid of the Year 11 Prom**

Students – please bring in £1.00 to buy a raffle ticket for the Easter Egg draw.

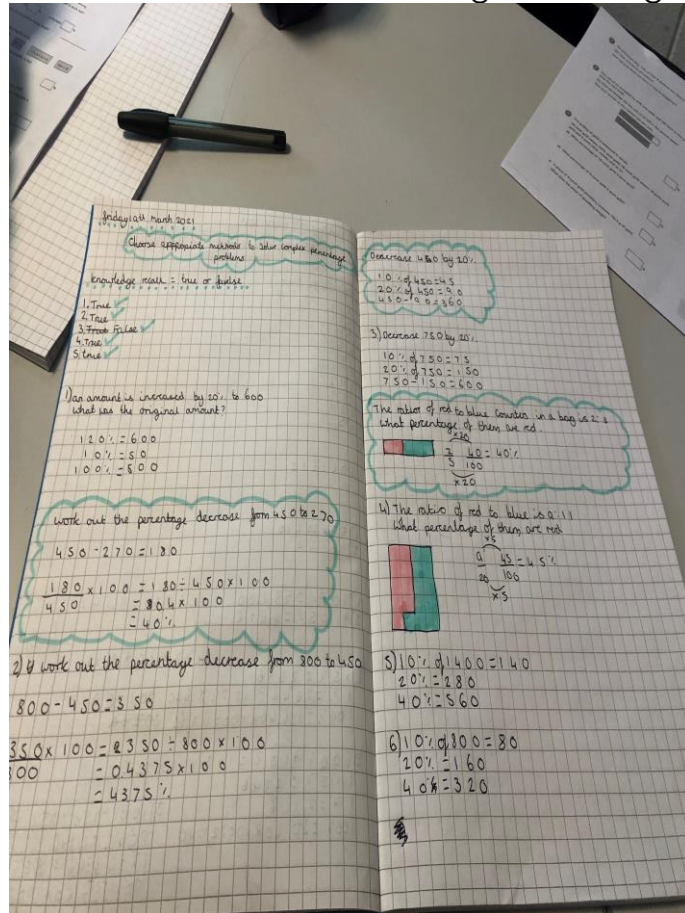

# BRIGHT SPOTS

## Maths

Year 10 work from Elizabeth B.

Lovely work by Chloe L in Year 8 – Calculating Percentages – Ms Meredith

Lovely ratio work by Emily W in Year 11 – Miss Lewis

## Music

Year 8 blues band rocking it for the school prospectus photoshoot! – **Mr Peacock**  
Jarom E, Oliver D, Katie F, Bethan H and Alysha M

# Product Design

A selection of Travel Games Boxes made by Year 8 students.

## Textiles

Year 8 have been developing their sewing machine skills by making boot bags. Excellent work by the whole class. Here are a couple of examples by Chris P and Muammer A.

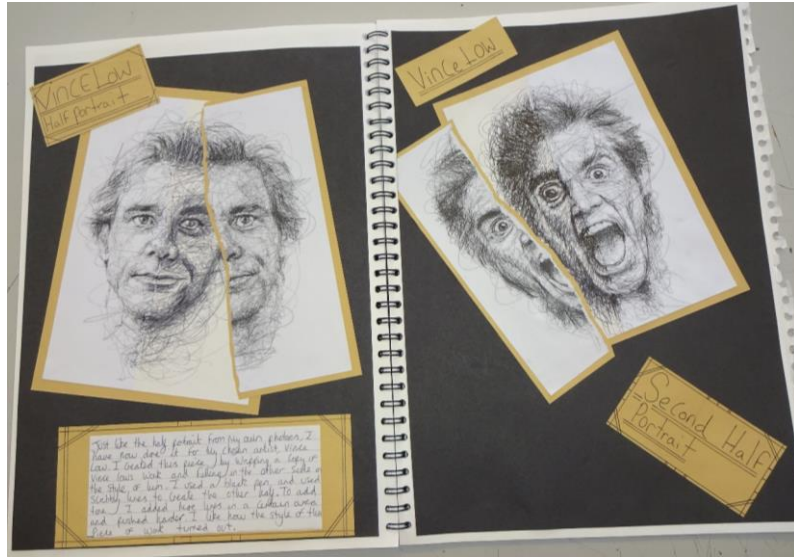

## Art

Some beautiful pieces of work from Year 11 Art students this week – they are starting to explore their own ideas on the theme of identity – **Mrs Charles**
