Wednesday 8 th September

After a busy and positive staff INSET day on Wednesday the first of our students returned to school on Thursday. As I write this, we now have Year 7, 9, 10 and 11 back in school with Year 8 the last to join on Monday 6th September. I must say a huge thank you to the staff who have supervised Lateral Flow testing here on site ensuring that our students get back in to lessons as swiftly and safely as possible. After two days of testing, we are pleased to report that so far, we have had no positive results returned here at school. Our students have been excellent in slotting back into familiar routines and expectations and looked tremendously smart when coming back through our gates this week. All of our students will have had their second test by Thursday next week, after which they will resume with at home testing twice weekly. We look forward to seeing Year 8 next Monday.

Please note that Thursday 16th September we will have our Open Evening. This is a great opportunity for future parents, as well as current parents, to see the school and meet with some of our students and staff. We will also shortly be taking bookings onto our school tours which will run on Wednesday 15th and Thursday 16th September. Please look out for more details about these events in the coming days. Also a reminder that Friday 17th September is an inset day therefore no students will be in school.

A reminder to follow us on social media to keep up to date with the exciting and interesting things happening at our school.
