Dear Parents & Carers

I am delighted to share with you the news of our recent Ofsted inspection. The Academy was graded as GOOD IN ALL AREAS and the inspection team were incredibly complementary about the pace of change since the last inspection. Inspectors commented:

- This is a good school where pupils thrive
- Behaviour is dramatically improved
- Students are calm and respectful
- Pupils receive a good quality education

We are thrilled for the students, parents and staff of the school as this was a huge team effort to achieve this outcome. We know how important it is for this community to have a great local school which offers a good quality of education.
