

# Forest Sports Education Open Evening

## Tuesday 9th November 2021

Dear Student,

On Tuesday 9th November, Forest Sports Education will be hosting our first open evening of the year. Forest Sports Education is part of Virtual Learning UK, who deliver sport programmes all over the country. Virtual Learning UK specialise in delivering sport courses at College and University level, specifically the BTEC Level 3 Extended Diploma in Sports Coaching and Development and the BSc Honours Degree in Sports Coaching.

Forest Sports Education is unique to other providers in that we can offer potential paid work experience with the coaching company ProStars. That means you can 'earn as you learn' and gain valuable experience of the sports industry whilst studying. If this sounds like something you are interested in, or if you are interested in studying sport when you leave school, make sure you book a place to find out more.

The evening will take place at The Dean Academy (where Forest Sports Education is based) and will start at 6:15pm. If you would like to book a place, please email: [Richard.forestsportseducation@gmail.com](mailto:Richard.forestsportseducation@gmail.com). If you cannot attend for any reason, please get in contact so that we can arrange a meeting at a suitable date and time.

Kind Regards,

The Forest Sports Education Team

(Richard Kear, Jordan Fishwick & Ethan Wilkins)
