Richard Brand: Headteacher

9th February 2022

Dear Parent/Carer

In light of the announcements this week regarding the GCSE summer examinations, where exam boards have pre-released specific content for some subjects that will form the focus of the examinations, we felt it pertinent to arrange a Year 11 parent and carer information evening so we could share this important information with you directly and answer any questions that you may have surrounding all aspects of the summer examinations. Given that the students will be sitting their second round of mock examinations shortly after half term (fortnight commencing 7th March) we wanted to schedule this evening for before half term and have arranged it for Tuesday 15th February from 5.00 p.m. – 6.00 p.m.

Due to the current situation regarding Covid and to maintain safety and wellbeing for everyone, this evening will be held remotely via TEAMS – please use the attached link to access the meeting [Year 11 Parent Exam Information evening](#).

We will also take the opportunity during this event to share with you some useful revision techniques that you can use to help your son/daughter in preparation for both their mocks and summer examinations in order to support them in reaching their potential.

If you have any questions before this event is due to take place, please do not hesitate to get in touch with me hannah.rowlands@thedeanacademy.org.

We look forward to seeing you (albeit remotely!) next Tuesday. Thank you for your continued support in what has been a challenging GCSE journey for our students. We are committed to doing all we can to ensure that all our Year 11 students achieve their potential and are successful in their future pursuits when they leave The Dean Academy.

Yours sincerely

Hannah Rowlands
Assistant Headteacher
