

March Mocks

Your March mock paper combine two parts – Paper 1 and Paper 2. Due to time constraints these will happen in the same exam, although this WILL NOT happen in the summer. You will be given **two sections on Paper 1** – Islam (Beliefs only) and Christianity (Beliefs and Practices combined) and **two sections on Paper 2**, which will combine questions about all three modules studied so far (Religion and Life, Crime and Punishment and Relationships).

Use the information on these slides to help you revise the important areas – although be clear that you may have to make reference to other areas of the specification in order to complete 12 mark questions (eg, question on baptism might require reference to worship, etc)
