Richard Brand: Headteacher

1st April 2022

Dear Parent/Carer

Re: Easter Holiday revision sessions

As we enter the final weeks before the GCSE summer examinations, we are pleased to be able to share with you that we are offering Easter revision sessions to support students in their preparations for the formal summer GCSE exams. The timetable for the sessions we are running is attached. Attendance at these sessions is not compulsory, however; we would encourage students to take up this opportunity as the focus will be the final preparations for the summer exams. We know from experience that many students revise best with their teacher and, particularly this year, teachers are in the unique position of being able to direct students to topics which we know will be on the exam (pre-released content).

The sessions will take place from 10.00 a.m. – 2.00 p.m. and there will be a short break in the middle. Please note that there will be no catering facilities on these days so students should bring their own refreshments. The students are not required to wear school uniform but should come prepared with the necessary equipment.

Can I please ask that you fill in the Microsoft forms link [here](#) by **Wednesday 6th April** for the sessions that your child WILL be attending (no need to complete if they will not attend). Please note that we require a minimum take-up for these sessions to go ahead so please do take the time to confirm your child's attendance.

Many thanks for your continued support at this incredibly busy time of year as we support our Year 11 students prepare for their examinations – we are so proud of their focus and work ethic and are excited to see them all achieve the success they deserve this summer.

Yours sincerely

Hannah Rowlands
Assistant Headteacher
