Richard Brand: Headteacher

Dear Parent / Carer,

RE: Year 10 Advanced Mathematics Support Programme

I am pleased to be able to invite your son/daughter to participate in a Maths based Sixth Form taster event on Tuesday 7th June at Malmesbury School. Working alongside other Year 10 students from across The Athelstan Trust, students will take part in enrichment activities led by Pat Cobb and Ben Sparks from the AMSP (Advanced Maths Support Programme). Activities will be focussed on fun and challenging Maths problem solving, while also gaining insight into the different qualifications available for post-16 study.

Transport from The Dean Academy to Malmesbury School will be provided free of charge; the minibus will leave at 9:15am and return at 3pm. Students should go to tutor as normal but meet staff in Reception at 9.05am. School staff will be accompanying the students throughout the day. Students will be required to bring their own lunch on the day, although if your child receives Free School Meals, we will provide lunch for them. All students are expected to wear full school uniform and bring a pencil case with including a calculator.

In order to confirm your child's place on this trip, please log into Parent Pay and complete the Medical and Emergency Contact details as, without these, students will not be able to attend the visit.

Yours sincerely,

Tom Fessey
Aspirations Co-Ordinator
