Woodland House, Bream - UPDATE

Dear Resident

What: Road closure for essential drainage improvements
Where: B4231 Bream Road, Lydney (outside Woodland House) – see overleaf for details of the exact location
When: 9th to 24th June; 24/7 closure

I'm writing to make you aware that we have needed to postpone this scheme to accommodate resurfacing works at Bream Avenue. The drainage works will now be delivered between 9th to 24th June.

Access

To ensure the safety of road users and our workforce, it is necessary for us to **close the road** because of the machinery that will be used. Overleaf is a map showing the extent of the closure. Local access will be maintained to the point of the works.

We have planned the work so we can be in and out as quickly as possible.

Diversion

An official diversion route will be signposted which is suitable for all vehicles that would normally use the closed road – please see overleaf.

Contact us and keeping up to date with details

Thank you in advance for your patience and co-operation. If you have any queries, please email us at highways@gloucestershire.gov.uk

Yours faithfully,

Daniel Hopkins
Supervisor For and on behalf of Ringway
