Richard Brand: Headteacher

Dear Parents and Carers,

Re: Lexia

You will be aware that your child has been working on the Lexia Literacy programme. The reason for this intervention is to support their progress in not only Literacy but all their other subjects. Many students have made excellent progress this year and have completed all three strands of the programme: Word, Comprehension and Grammar. Once all these units are complete, there is no longer any need for your child to attend this intervention as they will have made the progress required to help experience greater success.

As the summer holiday begins, I am looking for your help and support. I would like your child to keep up their Lexia work over the holidays. Every week there are a set number of minutes to complete for each of the strands: Word, Comprehension and Grammar. Normally these are around 30 – 45 minutes each. Each Monday a new set of Minutes and Units starts. Completion of these over the six weeks will allow your child to keep making the necessary progress and will mean that they will work more rapidly towards the end of the intervention: little and often is the key to Lexia success and the more that can be done over the holiday the better.

Lexia can be accessed on a laptop, desktop or tablet but will not work on a phone. Your child will need to follow these instructions:

- Search for Lexia Power Up or enter [www.lexiapowerup.com](http://www.lexiapowerup.com)
- Enter my email [hannah.thayer@thedeanacademy.org](mailto:hannah.thayer@thedeanacademy.org)
- Enter their own log in and password
- Username is their name e.g. my log in would be hthayer
- Password is password

I thank you in advance for your support with this. There will be rewards for those students who complete units over the holidays.

Kind regards,

Hannah Thayer
