Richard Brand: Headteacher

Dear Parent/Carer

I am writing to inform you about a Year 9 Army Experience Day that will take place on Tuesday 27th September to celebrate The European Day of Languages.

Every year, The European Day of Languages takes place on 26th September. It is celebrated across Europe to celebrate the beautiful diversity of languages and cultures that we all share. This year, Year 9 students will have the opportunity to take part in an Army Experience Day as part of our school-wide celebrations. This day will include a Careers Presentation about the role of languages across The Armed Forces, as well as a range of skills and activities sessions that focus on developing students' broader transversal skills.

We are extremely excited about the event and believe that it will play an important role in highlighting the value of language study to students and in shaping students' educational and career ambitions.

In addition to this event, students will also be invited to take part in a range of competitions and other careers events (including speakers from the fields of Dentistry and Marketing) to celebrate The European Day of Languages. Details of these competitions and careers events will be shared with students during tutor time throughout the week commencing 20/09/2022.

I would like to take this opportunity to thank you for supporting your child with their language learning journey and our MFL team is extremely excited to continue to develop your child's love of languages in the future years.

We wish you a restful weekend.

Yours faithfully,

Miss I. Eddy
Head of MFL
