Richard Brand: Headteacher

22<sup>nd</sup> September 2022

Dear Parent/Carer

**Year 10 Construction Site Visit to Building site, Lydney**  
**Monday 3<sup>rd</sup> October 2022 – 10B (FE)**

As part of the Construction course, students need to understand about safety, security and planning in the construction business. We have therefore organised a school visit to a local construction site to see aspects of this first hand.

We will be given a presentation by the site manager, which will include staff roles & responsibilities, the need for PPE, the role of the considerate construction scheme and a tour of the site, finishing with an opportunity for students to ask questions.

We will walk to the site in Lydney (just behind mincost) departing from the academy site at **9.30am** and will return by **10.40am**. This will take place in their timetabled Construction lesson and students will not miss any other lesson time.

We will be taking photographic and video footage to aid students' revision before they sit their exams the following year. We will also use footage for display and publicity purposes.

While there is no charge for this trip, in order for students to attend, we still require permission and medical forms completed via ParentPay by 3.00pm on Wednesday 28<sup>th</sup> September. Students must attend school wearing full uniform and bring a waterproof coat.

Yours sincerely

**Mr A. Winstanley**  
**Director of ADP and Teacher of Construction**
