Richard Brand: Headteacher

8th December 2022

Dear Parents and Carers

Re: Public Health Briefing on Scarlet Fever and Invasive Group A Strep

I am sure you will have seen the widespread reports in the news of cases of Scarlet Fever and "Strep A" which are higher than we have seen in recent years.

Please see attached a briefing note from GCC which offers advice for parents and carers about how this infection develops and actions to take if there is a suspected case.

If you have any queries about attendance to school during this period or if you are unsure whether to send your child in our attendance team will be happy to advise.

Yours sincerely

Richard Brand
Headteacher
