

Creative Industries Saturday Studio 2023

A free experience for anyone in Years 10 & 11 with an interest in anything creative!

Are you **creative** but not sure what that could mean for choosing future courses or careers?

Do you have an interest in **media, production, animation, photography, interior design, special effects, art or games design**?

Or, are you **interested in finding out a bit more** about a **range of creative subjects** in a hands-on and fun way.....

Come and join us on our FREE 4-week programme where you can try out a broad range of creative courses and careers, get your hands on state-of-the-art equipment, visit four different higher education campus locations and experience fun, interactive sessions run by industry experts.

Why take part?

You will get to see what careers in a range of creative industries look like and you'll develop lots of skills to put in future CVs and applications for college or university. The programme has been consistently rated over 9 out of 10 by past attendees and parents are big fans too!

"I would like to say a very big thank you for the past 4 weeks as my child has gained valuable experience and made great friends" (2022 Parent)

We will be kicking off the programme on **Saturday 4th March** at The University of Gloucestershire Hardwick Campus in Cheltenham with hands on **photography** sessions. Following weeks will include a whole range of experiences including **games design, special effects make up, TV production, fashion, animation, interior and graphic design** amongst many others*. We will end with a presentation to which parents are also invited, we provide lunch and all our events are free.

When: Saturday 4th, 11th, 18th and 25th March, from 10am – 3:00pm each day, **Pupils must attend each week.**

How can you apply? Visit www.grows.ac.uk/creative to apply and see more information including a video of a previous event.

If you want to bring along a friend, let us know and we'll see if we can make space for them too.

If transport could be an issue, please apply and work with the team who will do all they can to support you getting to the event.

Yours sincerely,

GROWS TEAM
