

Post 16 Providers: Where To Go After Year 11

In the Forest of Dean and the surrounding area, there is a great selection of different Post 16 Providers that offer everything from A Levels and Apprenticeships to T Levels and Traineeships – and everything in between! They are listed below. You may be keen to move on to a Sixth Form Centre or College, or you may prefer a smaller environment that specialises in a specific vocational area.

To find out about open events, please look at each provider's website.

And remember...! You can apply for as many places as you want. Once you apply, you will usually be invited in for an interview, or/and a 'taster' event where you can find out more about your course and the place you have applied for. You will be told by the provider what they want you to do. You do not have to decide your final choice until you have left school and know your qualification result.

Options close to the Dean Academy

Post 16 option	Website	What They Offer – In Their Own Words
Wyedean School and Sixth Form Centre	https://www.wyedean.gloucs.sch.uk/	We offer a broad range of subjects and qualifications in year 12 and 13 covering both traditional academic facilitating subjects and a full suite of vocational qualifications at level 3.

Dene Magna Sixth Form	https://www.denemagna.co.uk/	We are proud to be the only provider of quality A-Levels here in the Forest of Dean, and we welcome students from both the Central Forest and Beyond. Our bespoke, state of the art campus is a beacon for academic excellence and ambition and our students benefit from getting a college experience whilst also belonging to a school.
Newent Community School	https://newent.gloucs.sch.uk/	We are proud of our record of academic success and our aim is to ensure that every individual student is supported to achieve their full academic potential or 'personal best'. Offers a wide range of A levels
John Kyrle High School and Sixth Form Centre	https://www.jkhs.org.uk/	Our A*- B pass rate has been above 50% over the last 15 years, and at or above 60% for the past ten years. These figures ensure our key aim: "First Choice Futures for All" on results day in Year 13. All students wishing to attend university were accepted last summer with many gaining entry into elite Russell Group institutions.
