Dear Y11 Parents/Carers

Re: Easter Holiday revision sessions

As we enter these crucial final weeks before the GCSE summer examinations, we are pleased to be able to share with you that we are offering Easter revision sessions in some of our subject areas to support students in their preparations for the formal summer GCSE exams.

Attendance at these sessions is not compulsory, however; we would encourage students to take up this opportunity as the focus will be the final preparations for the summer exams. We know from experience that many students revise best with their teacher and benefit hugely from a structured, formal approach.

The revision sessions will take place from **10.00am – 2.00pm** and there will be a short break in the middle. Please note that there will be no catering facilities on these days so students should bring their own refreshments. Students are not required to wear school uniform but should come prepared with all necessary equipment.

Can I please ask that you fill in the Microsoft forms (<https://forms.office.com/e/J4cVtBJA26>) by **Friday 24th March 2023** for the sessions that your child **WILL** be attending (no need to complete if they will not attend). Once the responses have been collated, we will be in touch to confirm which sessions will be taking place. *Please note that we require a minimum take-up for these sessions to go ahead so please do take the time to confirm your child's attendance by the deadline, or there is a risk the session may not run.*

Many thanks for your continued support at this incredibly busy time of year as we support our Year 11 students prepare for their examinations – we are so proud of their focus and work ethic and are excited to see them all achieve the success they deserve this summer.

Yours sincerely,

Hannah Rowlands
