The real highlight this week has been the production of Grease after school on Wednesday and Thursday. Students had been rehearsing for weeks and had a dress rehearsal in front of a crowd of Year 5/6 students from local primary schools to fine tune the performance on Wednesday and Thursday to packed audiences. It's been fantastic to see the production come together with students across the year groups doing an extraordinary job either as actors, dancers or support crew. Unfortunately, the final night of the performance, scheduled for tonight, needed to be postponed due to a handful of key cast members falling ill but we are looking closely at the calendar to find a rearranged date in the summer term – the show will go on!

Also, this week Year 10 students have been putting themselves forward to be considered to be part of next year's senior student team. Each student had an interview with Mrs Rowlands and Mrs Jones and also gave a speech to the rest of Year 10. Well done to everyone who put themselves forward and congratulations to those who have been elected!

We're going into a busy period for exams now with Year 10 end of exams having got under way today and continuing next week. Year 11 GCSE exams then begin the following week on Monday 15th May and run through to half term and beyond. We've been endlessly impressed with how students have been preparing. Best of luck to all of our students sitting exams as we know it's a high-pressure time of year.

A note on term time holidays as we have been seeing an increasing number of requests recently. Please be aware that it is our standard policy to deny all requests for term time absences for holidays. We know how important it is for students to maintain excellent attendance and absences for holidays put them back even further after a disrupted, few years. Thank you for your support and understanding with this.
