13th October 2023

Dear Parent / Carer,

Re: Cross Trust Mathematician and Performance Poet Visit – Friday 10th November 2023

We would like to invite your child to participate in an exciting and unique opportunity, working with mathematician and world poetry slam champion, Harry Baker. Students will work with other students from across the five schools within The Athelstan Trust. They will be watching a live performance by Harry (www.harrybaker.co) followed by two workshops which aim to celebrate and develop cross curricular links between subjects that are more often contrasted than combined! This year, this event will be held at Bradon Forest School.

Transport between The Dean Academy and Bradon Forest will be provided free of charge and students will be accompanied by members of staff throughout the day. The minibus will leave school at 9.00am and arrive back by 3.00pm, in time for the end of the day. All students should bring a packed lunch and drink with them; if students have lunch provided at school, they should let Reception know and we will ensure food is provided for them. No money will be necessary. They will be required to switch mobile phones off throughout the day whilst at Bradon Forest School.

In order to confirm your child's place on this trip, please log onto Parent Pay and complete the online consent and medical and emergency contact details by Friday 3rd November 2023. Without these details, students will not be able to attend the visit.

Yours sincerely,

Alison Meredith
Teacher of Mathematics
