Richard Brand: Headteacher

Dear Parent/Carer,

We are writing to you about an incredibly exciting opportunity that your child will take part in on Monday 18<sup>th</sup> December as part of their Modern Foreign Language education. We are very excited to invite the organisation 'Mingalaba' to our school, which will offer your child a unique insight into the value of languages within and beyond the football industry.

As part of this special day, students will attend an assembly before taking part in a one-hour language activity. For the language activity, students can select to take part in either a Spanish football lesson or a Spanish classroom-based lesson in which students will develop their writing skills to produce a Spanish football match report. We would be very grateful if you could discuss with your child which activity session they would like to take part in and then record your choice by using the Google Form below and we will endeavour to ensure that as many students as possible get their first choice. **Please could you record this information by Wednesday 15<sup>th</sup> November at the latest.**

We are extremely grateful to The David Buckland Trust, which is a charity that is dedicated to funding and promoting the importance of languages education for all. The grant that The David Buckland Trust awarded our MFL Department has made this experience possible for our students.

We hope that your child will thoroughly enjoy this special opportunity and we are very excited for the day.

Thank you for your continued support with your child's MFL learning journey.

Yours Sincerely,

**Miss I Eddy**  
Head of MFL
