Richard Brand: Headteacher

21<sup>st</sup> May 2024

Dear Parent/Carer

### **Re. May half Term Revision Academy**

We are excited to be able to offer some revision workshops during the May half term break for those students who feel that they would benefit from this additional support from their teachers in the lead up to their final GCSE examinations. Whilst optional, we know that students who make access to this additional intervention can make significant progress and achieve greater success in their exams.

The revision sessions will be 2 hours long and there will be 2 sessions in a day. Students do not need to sign up to both sessions. There will be a 30-minute refreshment break between the sessions where students are free to go off site to get food or to remain and eat on site in our canteen – please do note there will be no catering facilities on site on these days so students will need to bring refreshments with them. Students are not required to wear full uniform but should bring all necessary equipment. Please note that usual expectations of behaviour apply and should any students not be meeting these expectations, they will be asked to leave.

Students should turn up promptly for each session – students must arrive no later than 5 minutes prior to the session commencing (therefore at 8.55 a.m. for the morning session and 11.25 a.m. for the afternoon session) where the staff will meet them. Given it is half term, the site will be closed and therefore if students are late, there is a chance there may not be a member of staff available to meet them and they will miss the session.

Can I please ask that you fill in the Microsoft Forms on the following link (<https://forms.office.com/e/u3VkhXrAjU>) by **Thursday 23<sup>rd</sup> May only for the sessions that your child WILL be attending.**

Please note, access to the school site will be affected by the planned works organised by the Highways Department at Gloucestershire County Council and therefore access to our car park will be restricted during the half term break.

Many thanks, as always, for your continued support during this crucial time for our Year 11 students. We could not be more proud of the way in which they have been revising and conducting themselves during the examinations thus far and look forward to this continuing in the second phase of the exams.

Yours sincerely

**Hannah Rowlands**  
Deputy Headteacher
