Richard Brand: Headteacher

7th May 2024

Dear Parent/Carer,

Many thanks for your support in helping your child choose their GCSE Key Stage 4 subject options. I was really impressed with the way in which students engaged fully with the entire options process and it has been so nice to see them taking full ownership over their future studies.

We have now started collating all the information and allocating 4 of the 5 chosen subjects to each student in alignment with our curriculum model. We will be sharing with students early in term 6 which subjects that they have been allocated.

In the meantime, if you have any questions or queries please do not hesitate to get in touch (hrowlands@thedeanacademy.org).

Yours sincerely,

Hannah Rowlands

Deputy Headteacher
