

Dear Parent / Carer,

House Reward Days – Monday 15th to Thursday 18th July 2024

After another year of hard work and the fantastic efforts from all of our students we are delighted to be able to offer a reward experience for every student in the school as part of our End of Year House celebrations. There are a number of different experiences which will be spread across four days in July, and we are offering a variety of trips and events. We want every student at The Dean Academy to take part in one of these amazing experiences.

We recognise the continued difficulty with the rising costs of living and we have therefore included two low-cost on-site experiences to help everyone be able to enjoy a reward experience this year without exception. If you need any further support on this matter, please contact our finance team.

With limited places available on each trip we will allocate places according to preference but with priority in order of the overall house competition as it stands. Students in the leading house will have priority of choice, then the second placed house and so on.

On the following page please rank the trip your child would like to attend, starting with 1 as their first preference. If a trip is full, we will take your second preference and so on. Please be aware that by indicating ANY trip as one of your preferences you are agreeing to pay the associated costs for whichever trip is allocated to your child. **If your child doesn't want to attend one of the trips on the list you do not need to include those trips in your ranking, simply leave the box blank.**

Once trips have been allocated, the cost of the trip allocated to your child will need to be paid in full via ParentPay and medical/consent details completed prior to the trip departure. Trips will be allocated to students on Monday 24th June and ParentPay will then be opened up and students will receive a letter with the full trip details. Trips will need to be paid in full one week prior to departure (by 8th - 11th July)

Please can the attached form be returned to your child's tutor **by Wednesday 19th June.**

Yours Sincerely,

Pete Glynn
Associate Assistant Headteacher

House Reward Days in July 2024

Student Name..... **Year**.....

- Please rank the trips which your child would like to attend in order, starting with 1 as the most preferred option.
- If your child doesn't wish to attend a trip on the list do not include them in your ranking, simply leave the box blank.
- Your child may end up on any of the preferred trips depending on the allocation system.
- **Please return this form to tutors by Wednesday 19th of June**
