Richard Brand: Headteacher

Dear Parents/carers,

Re: Literacy Intervention

Your child has been identified as a student that will benefit from Literacy intervention. We view this intervention as extremely important in being able to support your child and to allow them to make progress in all curriculum areas. We use a programme called Lexia to deliver this intervention. This is a bespoke programme that fits the needs of your child and supports them in developing new skills. In order to deliver this, your child will be in the Lexia Intervention group that will happen in tutor time on a Tuesday, Wednesday and Thursday morning. Your child will need to go straight to their designated room on these days. This intervention will begin on Tuesday 17th of September.

This intervention is compulsory and is part of our aim to make sure your child stands the best chance of reaching their potential. Evidence shows that interventions such as Lexia have a lasting impact and as such we are grateful for your support in positively encouraging your child to access this additional support and working together to enable your child to achieve their best.

If you have any questions, please do get in touch.

Kind regards,

Hannah Thayer
SENDCO
