Could we please ask that, if your child is not travelling abroad between now and the Tour for you to send their passport into School (to be handed into the Academy Finance office where they will be kept in a secure safe).

You can rest assured that your child will be travelling fully insured, however, we also require that they have an in date GHIC (European Health Insurance Card). You can apply for this free online or over the phone. Again, as soon as you have this can we please ask you to hand this into the Finance office at school.

We are really excited about the tour and pupils will obviously be raring to go, please make sure they are training regularly and attending football sessions at the Academy after the Christmas break whenever possible as we will potentially training for 4 hours a day.

Yours sincerely,
