Hannah Rowlands: Headteacher

8th October 2024

Dear Parent/Carer

Your child has been invited to attend the Athelstan Trust Maths Challenge taking place at Bradon Forest School on **Tuesday 12th November 2024**.

The purpose of this Challenge is to advance the education of children and young people in mathematics. Your child will be encouraged to use their mathematical reasoning, precision of thought, and fluency in using basic mathematical techniques to solve interesting and unique problems. Your child will face challenging, yet accessible questions, aimed to stimulate their interest of mathematics, whilst working collaboratively and competing against other students from the Athelstan Trust.

Transport from school to Bradon Forest will be provided free of charge; the minibus will be leaving at **9:15am** and returning at **3pm**. School staff will be accompanying the students on the minibus and throughout the day. **Students will need to bring their own packed lunch**. If your child is entitled to free school meals, a packed lunch will be provided.

Would you please confirm if you wish your child to attend the Athelstan Trust Maths Challenge on 12th November by logging into Parent Pay and complete the Medical and Emergency Contact details.

Yours sincerely,

Ross Baker

Teacher of Mathematics
