Hannah Rowlands: Headteacher

Monday 12<sup>th</sup> May 2025

Dear Parent / Carer,

### **KS4 Agriculture and Sports Therapy Outreach Day**

I am pleased to inform you that, as part of the Science Faculties Enrichment program, your child has been offered the exciting opportunity to attend an educational visit to Hartpury College. The purpose of this visit is to explore the world-renowned facilities provided by Hartpury college, igniting passions in young people to consider these specialist subject areas.

The trip will include a campus tour, as well as two 1- hour sessions, one with the agriculture department, and the other with the Sport department, both being led by University Lecturers. During the agricultural session, students will be exploring the technologies deployed by farmers at Hartpury, whilst during the sports therapy session, students will develop an understanding of how Science can be used to improve performance in different sports.

Transport from school to Hartpury College is via a coach which will leave at **8:40am** and return at around **2:45pm** on Friday the 16<sup>th</sup> of May 2025. School staff will be accompanying the students on the coach and throughout the day. **Students will be required to bring their own lunch on the day and wear their normal school uniform.** If your child receives Free School Meals, we will provide lunch for them and we ask your child lets Mrs Harris in the canteen know of this in advance.

The cost of the trip has been partially subsidised by the Science Faculty; however, we ask if parents/guardians would voluntarily contribute £5.00 towards funding the coach.

Please be aware that there are limited places on the trip. To confirm your child's place on this trip and for payment, please log into Parent Pay and complete the Medical and Emergency Contact details by **15th May 2025** as, without these, students will not be able to attend the visit.

Yours sincerely,

**Miss Wheatstone**  
Second in Science
