

## Scheme of work for OCR GCSE (9-1) Business (J204) taught over 2 years

### Introduction

This scheme of work offers an example of how the OCR GCSE (9-1) Business course could be organised over **two** years. It is designed as a guide only and the order of topics can be changed to suit the school and teacher preferences. Textbook references are to OCR GCSE (9-1) Business textbook by Schofield and Williams, published by Hodder in April 2022.

It assumes the course will be taught by one teacher with 37 teaching weeks available in year 10 and 31 teaching weeks plus revision time in year 11. Additional resources are available from [Teach Cambridge](#).

Other resources listed below are examples of resources that might be used to stimulate discussions, activities and questions related to the relevant business topics. They are not intended as an exhaustive list.
