Dear Parents and Carers,

### **Introducing Microsoft SharePoint: Our New Online Revision Hub**

We are excited to re-introduce our digital resource to support our students' academic success and well-being: the **Microsoft SharePoint Revision Hub**.

This online platform has been developed to provide students with easy and organised access to a wide range of learning and support materials, helping them prepare more effectively for upcoming assessments and their future learning journeys.

### **What can students find on the SharePoint Revision Hub?**

- **Revision Materials:** Subject-specific resources, past papers, and study material to support exam preparation.
- **Lesson Content:** Access to key lesson materials to reinforce classroom learning.
- **Exam Anxiety Support:** Tips, techniques, and advice to help manage stress and build confidence during exam periods.
- **Post-16 Support:** Guidance on sixth form, college, apprenticeships, and career pathways to help students make informed decisions about their next steps.

### **How to Access the Hub**

The SharePoint site is accessible to all students via their school Microsoft account. Students can find a hyperlink on the homepage of The Dean Academy website. We encourage you to explore the site with your child and support them in using it as part of their regular revision routine.

This initiative is part of our ongoing commitment to provide high-quality learning resources and support outside the classroom, ensuring every student has the tools they need to succeed.

If you have any questions or need support accessing the hub, please don't hesitate to contact [tfessey@thedeanacademy.org](mailto:tfessey@thedeanacademy.org).

Thank you for your continued support.

Yours sincerely,

**Tom Fessey**
