The Dean Academy is a school that prides itself on your child's enjoyment to learning. We're committed to your child's future; by the end of this academic year your child would have received numerous taster lessons with us including a taster day in June.

We are proud to share that we are celebrating yet another excellent set of GCSE results for the Year 11 Class of 2025. The year-on-year improvement of outcomes for students at The Dean Academy continues, reflecting the upward trajectory of improvement for the school, with a higher percentage of students in this cohort achieving a grade 4 or above in both English and Maths and more students achieving the top grades of 7-9 across a range of subjects.

Our 2023, 2024 and 2025 cohorts have received record breaking numbers, with students from across the Forest of Dean choosing us as first preference. Because our school is growing exponentially, we have expanded our transport links putting on buses to run beyond our catchment.

Please see the attached leaflet which is a taster of what your child gets to experience at the Dean Academy. For further information, check out our website (<https://thedeanacademy.org>) or follow us on the social media accounts:
