Hannah Rowlands: Headteacher

Tuesday 21st October 2025

Dear Parent / Carer,

As we continue to support our Year 11 students in their preparation for upcoming assessments and examinations, we are pleased to share additional opportunities for independent revision at school.

From Monday to Friday, the school library will be open from 7:30am each morning for students who wish to complete independent study before the start of the school day. This provides a quiet, focused environment for revision.

In addition, our "Victory Hour" sessions will run on Wednesdays and Thursdays after period 6, from 4:15pm to 5:00pm in the library. These sessions are designed to give students an extra opportunity to consolidate their learning and revise independently.

Both the morning and after-school sessions start immediately after October Half Term and will be supervised by a member of the Senior Leadership Team to ensure a calm and supportive atmosphere.

We strongly encourage all Year 11 students to take advantage of the extended school day to help them achieve their best possible outcomes this year.

Thank you for your continued support.

Yours sincerely,

Tom Fessey

Assistant Headteacher & Raising Standards Leader
