Dear Parent/Carer,

### Easter Holiday Revision Sessions for Year 11 Students

As we approach the final few weeks before the GCSE examinations, we understand how important this period is for our Year 11 students. To provide additional support and to help them achieve their full potential, we are offering Easter holiday revision sessions in many subjects. These sessions will provide focused revision, exam practise, and guidance on effective study techniques, led by a subject specialist.

The revision sessions are divided into morning and afternoon slots. The morning session run from 09:30am to 11:30am, followed by 30-minute lunch break from 11:30am to 12:00pm for students staying for both sessions. The afternoon session takes place from 12:00 – 14:00.

Students have the option to attend either the morning or afternoon session, or both. If they choose to stay for the full day, they will need to bring their own lunch. All sessions will be held in the teacher's regular classroom.
